Acworth Cemetery meeting - 10-23-26

Present - Ken Gagnon, Lillie LeBlanc, Alison Ferrell, Claudia Istel

Meeting started 10:30

Cemetery update:

- Trees - Chris Lane will do the Tree work. Most likely in middle of November. Total will be $7,500. There are two trees not in estimate, but Chris said they would be $1,100 each. We have funds to cover all of this. Consensus is to do them.
- Butson service Nov 7th - Claudia will reach out to the family to see if a burial will take place - can't wait too much longer due to ground conditions as we get colder.
- Received an email that Jim and Joanne Brown's gravestone has been damaged, and we surmise that it is most likely by mowing from several years ago. It's a flat stone. Ken thinks that perhaps the stone was not the right height, it wasn't put in correctly and so the mower thought it could go over it. Alison will follow up with the NH cemetery group to see what other towns do in these kinds of incidents.

Sexton update:

- Transfer of plot - from Kevin and Linda Hall to brother Steven Hall

Finances:

- Ken Stipend - 3rd qtr $750. One more to do for last quarter 2026
- Mowing - Caught up on all the bills - $390, $390, $715, $780, $635, $845, $650
- Tree work deposit - $3750
- Budget for 2027 should be the same as 2026 - Claudia will get that information to Charlotte
