

ACWORTH HAZARD MITIGATION SURVEY

In 2025, the Acworth Hazard Mitigation Committee will be updating the Town's Hazard Mitigation Plan to inventory and evaluate potential hazards such as flooding, severe winter weather, and infectious disease. It will also outline potential projects to reduce the impact of future hazards.

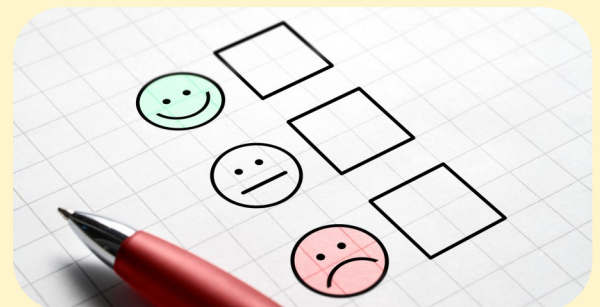

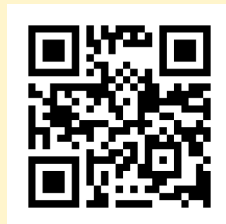

The Committee wants to ensure Acworth residents are aware of hazard mitigation efforts and resources available to them as individuals. It is important to hear from you, the people of Acworth!

How to Complete the 10-Minute Survey:

- Use the link or QR Code below to take the survey on your device
- Pick up a paper survey at the Library or Town Offices
- Contact the Emergency Management Director, Jennifer Bland to request a paper survey be mailed to your home
