Now that Ken has mapped out the Knoll area, we will sell plots as 6x6 for 4 cremains. Price - \$400. No corner markers, must metal markers which Lillie brought to the meeting. There will be a scattering garden up at the top of the area. Free, or pay nominal fee for putting name on stone. We will try to set up a trip to Concord to see a scattering garden that they have there.

There was a brief discussion about Green Burials - we allow them. Claudia has talked with the Lempster trustees who were curious on how to go about the process of "allowing" Green burials. Acworth didn't really have a process - we decided to allow them. Basic requirements are: 4 ft burial, no embalming, no concrete, wooden box, no metal, no vault. We allow them in regular plots.
