

Acworth Cemetery Trustees: Minutes, August 25, 2022

Present: Sexton Kris Fenderson, Trustees Claudia Istel, Lillie LeBlanc, and Helen Frink, Chair.

Minutes of July 28, 2022 were approved.

Sales of Lots: none

Burials:

Cremains of Shirley Powers were interred July 29th at the left margin of lot H-4.

Peter Barth will be buried at the south margin of the south half of lot A-7 (full body burial).

Michael Knicely will be buried in the south half of lot J-18.

It was noted that a vault is required for burial of a body that has been embalmed.

Helen Frink will write Keith Young to express appreciation for the clean-up and restoration of the interment site of cremains of his son, Heath Young, in the Old Hill Road Cemetery.

Mowing: We approved payment of a \$3,200 mowing invoice from Mountainside Mowing dated August 24th. Mowing costs to date total \$8,036, leaving \$5,964 in our 2022 budget of \$14,000. No bill has been received yet for weed whacking the Batchelder-Nye cemetery.

Tree Work: Removal of trees in the northeast corner of the Hill Road cemetery as described in Russell Tree's estimate of \$1,800 has not yet been done. Our 2022 budget for tree work is \$3,500 of which \$1,100 was spent removing a dead maple from the rear wall of the cemetery.

Monument Repair: Sexton Kris Fenderson will contact Keene Monument and will select the monuments to be repaired; our budget for this item is \$1,500.

Mapping: Lillie LeBlanc described her work mapping the old part of the Hill Road cemetery. Corrections and additions have been made to the handwritten map showing burials through 1871. Our goal is to create an up to date spreadsheet and map of that part of the cemetery.
