

Free Workshop & Water Testing for Private Well Users in Acworth & Unity

NH Department of Environmental Services
invites private well users to the:

Private Well Workshop

Wed, July 29, 2026 @ 6:00PM

Unity Elementary School

864 2nd NH Turnpike

Keep your family safe from health risks of common well water contaminants. Test your water.

At the Private Well Workshop we'll:

- Explain what contaminants you should test for and why;
- Send you home with a test kit and tell you when & where to return with filled bottles;
- Test your water for common well water contaminants including: radon, arsenic, lead & PFAS;
- Teach you about selecting the appropriate water treatment if contaminants are found.

Workshop & water testing are free and registration is simple! E-mail Amy at welltest@des.nh.gov saying you plan to attend or call 603-271-5986.

**Please register & we'll see you at the
Unity Elementary School
July 29 @6pm!**
