

Acworth Cemetery meeting - 05-27-26

Present - Ken Gagnon, Lillie LeBlanc, Alison Ferrell, Claudia Istel

Meeting started 10:35

Sexton update:

- Ken has followed up with Joan Jones (daughter of Streeters). Waiting to hear back if correspondence was good.
- Peter and Marcie Maynard purchased three plots - 3X, 3Y, 4X. All adjacent.
- Lindsey Nelson J4D interment

Alison mentioned the FB page for NH cemetery and will try to get the group on there.

Roy E Mitchell left 10k to the cemetery through trust for flowers. Ken will follow up with Ann on how to get money from there. Claudia explains that perhaps in the past we would wait til the cemetery trust funds had accumulated interest to 1k and then request the funds and have it offset the cemetery budget.

Ken got a request that someone wants to make a donation toward perpetual care of a few plots. We do not have a fund for that. So, we can't support this.

The cemetery got mowed in time for Memorial Day but it was a close one. Next year we should put out a certain day by which it should be mowed and maybe even let the newsletter put a note out. Perhaps a weekday on the week before Memorial Day.

Ken met with Helen and got some former electronic records to go through.

Mark Goodwin got a drone up over the cemetery, and Lindley Hanson might have a student do some investigative work in the old cemetery to help map out the area.

Russell tree will do the tree work mid June. Ken has marked the trees in the old cemetery. There is one near a neighbor's property that we should check and make her aware. Ken planted a few shrubs.

A road trip to Concord still needs to be planned for the scattering garden. Alison, Lillie and Claudia to go.
