

Acworth Cemetery meeting - 09-25-26

Present - Ken Gagnon, Lillie LeBlanc, Alison Ferrell, Claudia Istel

Meeting started 10:35

Cemetery update:

- Trees - Haven't heard back from Russell. After a brief research during the meeting - Ken will call Chris Lane and Lucas. Alison will join the estimate meetings.
- Ken has painted the sign legs.
- Mowing is all up to date - it looks great.
- Roger Butson to be buried Nov 7

Sexton update:

- Ken has had the town website updated with maps and inventories of the cemeteries. Very informative!
- There has been an inquiry about gravesites for Mable Pitkin Randall. The stone does seem to be a stone in the ground because there is a picture of it in Findagrave - maybe in the old cemetery? Ken is following up on it, and Lillie will look at maps at her house. Claudia will reach out to another family member.
- Plot request from Bill Leahy - approved
- Ken is toying around with getting more details about the burials in the southwest part of the new cemetery. Lindley Hanson's students might not have the bandwidth. Bob Perry of Topographix will charge \$1,850. Ken will continue to look at alternatives. The benefit of this activity is that we could identify empty unsold lots.

Invoices:

- Invoice from mowing - \$780 - approved.

Email Inquires:

- Claudia will respond to the green burial question email that came in - similar questions to one that she responded to previously

Next meeting - Friday, Oct 23 at 10:30
