

# TOWN ANNOUNCEMENT - PUBLIC MEETING

SATURDAY, JANUARY 28th, 2023, 1PM ET  
AT THE ACWORTH TOWN HALL

## SMALL ROADS INITIATIVE (SRI)

The Select Board initiated the SRI effort in April 2022 to review a selection of Class V roads to determine if the roads could be reclassified as Class VI.

Acworth has more roads to maintain than any of our neighboring towns with the least amount of town budget to support those roads.

We can either continue to raise taxes to support maintaining our extensive road system or we can look for ways to cut back on our road budget.

To reprioritize and reduce the road maintenance effort, the SRI was formed to assess the roads in town and has determined that the following roads should be reclassified from Class V to Class VI:

### Roads in Review

- 1 Breier Hill Road
- 2 Echo Valley Road
- 3 Hoagland Road
- 4 Langdon Road
- 5 McWethy Road
- 6 Meader Road
- 7 Nelson Road
- 8 Parson Road
- 9 Polly Hill Road
- 10 Russell Road
- 11 Coffin Hill Road

The details for this initiative are included in the FAQ artifact via Meeting Materials. We hope you will take the time to carefully consider the importance of reclassifying these roads for the betterment of the town of Acworth.

*Meeting Materials: Can be obtained in the town office during normal business hours*

Thank you for your consideration,

Acworth Board of Selectmen
